 **CARB & TSCA Title VI Compliant**
Meets safe concentration of Formaldehyde emissions from Engineering Wood for air quality

Modular to perfectly fit your space

Build the perfect bar configuration for your space, with modular cabinets designed to work together and are easily adjustable if needed.

Classic shaker-style door design

Our unique finishes and cabinetry colors let you build a bar that's a modern and show-stopping centerpiece for any space.

Customizable to suit your exact style

Customize your bar with either engineered stone, granite stone, or premium quality melamine countertops. Also choose between various different handles styles and colour options to customize your cabinetry set exactly how you'd like.

Dry vs. Wet Bar, which belongs in your home?

Both are designed to make entertaining at home easy by providing an area to prepare drinks for guests. However, wet bars are convenient if you entertain on a different floor than your kitchen.

Quality cabinets, beautifully designed

Stylish and functional storage, with the premium features that add to your experience. Constructed from durable plywood and other premium materials for the perfect balance of resilience and style.

Shop a range of pre-configured sets

Expertly designed Home Bar sets from compact storage stations, to full bar solutions that are loaded with features to meet all your entertainment needs. Customized to your preferences, without the custom price tag.

Shop individual Home Bar cabinetry

Shop our individual cabinets to make your own unique custom configuration, or add an extension to your existing cabinetry set.

Thought out spacing for Bar Fridges

Our modular cabinet design is compatible with most 21" width bar fridges, letting you add a wine or beer fridge right into your Home Bar build. Our cabinet's dimensions allow for a range of common bar refrigerators to be easily integrated into our sets.

See the size guide below.

- Maximum Width: 21 in.
- Optimal Depth: 21 - 24 in.
- Maximum Height: 34.75 in.

Get creative with floating shelves

Perfect for plants, photos, collectibles or glassware, these minimalist shelves let you add your own personal touch to any bar space.

Engineered Stone

A premium engineered stone countertop that has a stone like appearance and a rock-solid feel that stands out for their classic look, resistance, durability, versatility, and low maintenance.

For our Wet Bar offering, we will have three options with sink cutouts. The sink cutout is specific to our 19in. Overmount Sink model. The two offset options can be flipped for a right or left installation. Sink cutout option available with 42", 63" and 84" countertops. Our 21in. Standard Sink can be used with the any combination of countertops depending on the set configuration.

Granite

Bring life-long style to your space with a natural granite countertop on an engineered structure, designed for additional strength, impact resistance, durability and reduced weight. Wipe away spills and crumbs in an instant. A damp cloth and mild dish soap is all you need to keep these countertops looking good as new.

Setting the tone for the rest of your room, a granite countertop is the perfect combination of practicality and aesthetics.

Melamine

Comes with beveled edges that adds a classic styling to the countertop and accents the shaker style cabinets perfectly. Most melamine countertop colour options have a subtle wood-grain texture to brighten up any room. The Graphite Gray and Balanced Beige colours have a smooth and flat surface for a modern look.

Along with the strength of a solid plywood core, our stain-resistant melamine finish stands up to scratches and spills so it's easy-to-clean and is durable for everyday use. Designed for our dry and wet 21 in. Home Bar sets.

 **CUPC, NSF61, NSF372 Certified**
Meets plumbing standards for Canada and US

Beautiful aesthetic for your sink area

The arched cylindrical spout draws attention to the beautiful materials without overwhelming your design, and minimal edges make the faucet easy to keep clean. Our coiled spring and drop-down faucet designs provide versatile cleaning and spraying options, while the fixed faucet design offers a simple, beautiful aesthetic.

High quality and low maintenance design

Our mono lever faucet allows for precision temperature and flow adjustments with single-handed operation. The 360 degree swivel spout and spray jet makes it easy to reach every corner, while keeping the water spray neatly in the sink.

Lead-free brass construction

NewAge faucets feature a lead-free brass construction with a built-in ceramic disc valve for a tight seal that prevents leaks.

High spout design

The high spout makes it easy to wash and clean large pots and pans, while the 1.5gpl flow rate makes light work of stubborn stains.

Choose from 3 different styles and 2 finishes to suit your home

[Coiled Pull-Down Faucet >](#)

LEDs for interior and under cabinet lighting

Illuminate the interior of your Display Cabinets with the NewAge Products LED Light Adapter and Connector Cable. Easily installed in your Display Cabinets with included mounting hardware, the LED Light quick-connects to others in a series, with the capability of powering up to 4 LED Lights from 1 Power Adapter. The soft, warm light of the LED Lighting highlight your wine bottles, glassware or other collectibles, and adds a warm ambience to your space.

Transform your space with premium lighting

Whether you're chopping, eating or entertaining, you'll need the right lighting. Our LED lights can be placed above, inside or beneath your cabinets for versatile illumination that transforms any space.

Lighting to showcase your space

Our LEDs have a light output of 300 lumens and the 2700K color temperature will have your space looking its very best from morning until night.

Create a clean and uncluttered look

Connector cables allow you to string lights together, adding a cool ambience to any space, large or small. Connect your lights together to beautifully illuminate your entire room.

**Lights are not designed to be hardwired.*

Connect lights together to enjoy functional beauty throughout your space

High quality LED Lights

THINKING AHEAD: HOME OWNER

Great results start with smart planning

You can visualize your next room renovation but have you really thought about everything that will go into it? With a little imagination, and a lot of thinking, you can create a room that's easy to love. And easier to live in. Once you realize what your needs are, you'll be able to think of creative ways to satisfy them.

STEP 1	STEP 2	STEP 3
<h3>Pre-Planning</h3> <ul style="list-style-type: none">• Plan the transformation of your space.• Use our Home Measurement Guide (page 32) to create a sketch of your current space.• Browse our product lineup and make preliminary product selections.• Formulate a budget and explore financing options (Affirm Financing).	<h3>Schedule An Appointment</h3> <p>Take advantage of our free expert design services! Visit our site newageproducts.com/virtual-design-consultation OR Call 1-877-306-8930 to schedule your personal phone or interactive video design consultation.</p>	<h3>Let's Design Together</h3> <ul style="list-style-type: none">• Share your ideas and brainstorm with one of our design experts for FREE.• Review preliminary drawings.• Discuss any appliances involved, like fridges, stoves, microwaves, etc.• Preview 3D design renders and finalize your product selections.
STEP 4	STEP 5	STEP 6
<h3>Finalize Your Plans</h3> <ul style="list-style-type: none">• Review and approve your final design and measurements with the NewAge design expert.• Submit your product order.• Finalize payment arrangements.• Create tentative project schedule.	<h3>Get Your Space Ready</h3> <ul style="list-style-type: none">• Dedicate sufficient space to store products before and during your reno.• Inspect items as they arrive and note any issues.• Clear the area to be renovated.• Confirm start date with your installer.	<h3>Delivery Services</h3> <ul style="list-style-type: none">• Choose standard curbside delivery or upgrade and enjoy the worry-free experience of our White Glove Delivery.• White Glove includes removal of all boxes, packaging material and wood pallets, leaving your space clean and ready to enjoy.

THINKING AHEAD: PRO TRADES

Home, Office, or Business?

Narrowed things down to a particular color? We'll send you a sample to help with your choice. Available for 21in. Home Bar Melamine samples.

[Flooring Sample Kit >](#)

Our Luxury Vinyl Planks and Tiles come in a variety of elegant colors.

[Home Sample Kit >](#)

Explore finishes for our 24in. cabinetry program, handles, faucets, backsplashes and countertops.

Home Sample Kit

Flooring Sample Kit

Individual Samples

Received your samples, what's next?

Sometimes, having multiple great options can be a bit confusing. Here are a few tips to guide you to making a decision.

See things in a different light

Put samples up against furniture, walls and flooring to see how they match. Try them out in different rooms to see how they look in varying light conditions.

Fresh eyes, fresh opinion

It's often helpful to step away and enter a room again, as if seeing the sample for the first time. Friends and neighbors are also a great way to get a second opinion. Or third.

Crunch the numbers

Once you've landed on your choices, it's important to calculate how much product you'll need. Our designers can help as part of your free consultation, to make sure you order the perfect amount to fit your space and your budget.

Make your plans a reality

Now comes the fun part. Connect with one of our award-winning NewAge design experts. Book your free appointment on our Design Services Page anytime.

FREE Material Samples

We'll send you up to **Two FREE individual samples**, so you can get a feel of the premium quality materials you can expect in every NewAge product.

Applicable to selective products. Contact our design service team for more information.

Product Testing and Results

Rigorous product testing shown below is an important part of our engineering process.

Test Description	Test Specification and Standard	Passing Requirements	Test Result
Home Bar Cabinets and Melamine Countertops			
Shrinkage and Heat Resistance	ANSI/KCMA A161.1 - Clause 9.2 Place sample in chamber, 49°C ± 3°C and 70% ± 5% relative humidity for 24 hours	No discoloration and no evidence of blistering, damage or other damages by visual examination after test	Passed test
Hot and Cold Check Resistance	ANSI/KCMA A161.1 - Clause 9.3 Place sample in chamber for five cycles of the following: 1) 23°C and 50% relative humidity for 0.5 hours 2) 49°C±3°C and 70% ± 5% relative humidity for 1 hour 3) -21°C± 3°C for 1 hours 4) 23°C and 50% relative humidity for 0.5 hour	No discoloration and no evidence of blistering, damage or other damages by visual examination after test	Passed test
Chemical Resistance	ANSI/KCMA A161.1 - Clause 9.4 With sample in vertical position, place 3 cc's of each of the test chemical materials on each of the surfaces to be tested. Permit the materials to stand for the stated times, then sponge wash the surfaces with clear water and dry with a clean cloth. See full list of chemicals on page 35 .	No discoloration, stain, or whitening by visual examination after test	Passed test
Detergent and Water Resistance	ANSI/KCMA A161.1 - Clause 9.5 Place the sample on the sponge soaked with detergent and water and permitted to stand for 24 hours	No delamination, swelling, discoloration or evidence of blistering, whitening or other damages by visual examination after test	Passed test
Formaldehyde emission from Engineered Wood	CARB Phase 2 and TSCA Title VI	Meets Safe Formaldehyde emission from Engineered Wood for Air Quality. Compliant with CARB section 93120 Phase 2, and 40 CFR Part 770 under TSCA Title VI for Formaldehyde emission	Compliant
Phthalates Content	CPSC-CH-C1001-09.3 per CA Prop65	<1000ppm	Passed test
Lead Content	US EPA 3050B/3051 per CPSIA and CA Prop65	<90ppm	Passed test
Home Bar Cabinet Handles			
Lead Content	US EPA 3050B/3051 per CPSIA and CA Prop65	<90ppm	Passed test
Faucets			
Plumbing Standards for Canada and US	cUPC Certification - ASME A112.18.1 Standard	Meet the Uniform Plumbing Codes for Canada and US	Certified
NSF61 Safety Standard Test	NSF/ANSI 61 Standard	Meets Kitchen Faucet Safety Standards for Canada and US	Compliant

Test Description	Test Specification and Standard	Passing Requirements	Test Result
Lead-Free Content Test	NSF372 Standard	Meets Lead-Free Standard for Kitchen Faucet for Canada and US	Compliant
California Flow Rate Test	Flow Rate Requirements per California Appliance Efficiency Regulations	Flow rate must be <1.8 gpm @ 60 psi	Compliant
US Department of Energy Flow Rate Test	10 CFR Part 430 (Energy or Water Conservation Program for Consumer Products) and the the Energy Policy and Conservation Act	Flow rate must be <2.2 gpm @ 60 psi	Compliant
Sinks			
Plumbing Standards for Canada and US	cUPC Certification - ASME A112.19.3	Meet the Uniform Plumbing Codes for Canada and US	Certified
Granite Countertops			
Hot/Cold Extreme Temperature Test	Place sample in the Enviromental Chamber tester for 24 hours at 140F and 24 hours at -32F	No delamination, damages or physical changes after testing	Passed test
Humidity Test	Place sample in the Enviromental Chamber tester for 48 hours at 95% R.H., 100F	No delamination, damages or physical changes after testing	Passed test
UV Resistance	Place sample in the UV Tester for 150 hours ASTM G154-16, cycle 1 procedure	No delamination, damages or physical changes after testing	Passed test
VOC (Volatile Organic Compounds) Emission	Tested for List of VOCs per US EPA 5021A:2003	Meet safe limits of VOCs	Passed test: No VOCs Detected
Engineered Stone Countertops			
Chemical Resistance	KCMA A161.1 section 9.4 With the Countertop in vertical position, place 3 cc's of each of the test chemical materials on each of the surfaces to be tested. Permit the materials to stand for the stated times, then sponge wash the surfaces with clear water and dry with a clean cloth. See full list of chemicals on page 35 .	No discoloration, stain, or whitening by visual examination after test	Passed test
Impact Resistance	KCMA A161.1:2017 sec. 5.4 (modified) Drop a 3lbs steel ball from 6 inches above surfaces	No visual change and damage after test	Passed test
Heat Resistance	KCMA A161.1:2017 sec. 9.2 (modified) Apply a heating plate (185°C) on the surface and allow it to remain for 20 min	No visual change and damage after test	Passed test
Fungal Resistance	ASTM G21-15	No growth of Fungi	Passed test

Test Description	Test Specification and Standard	Passing Requirements	Test Result
Hot and Cold Cycle Test	Place Countertop in a Hot and Cold Chamber tester, and test for: 24 hours at 5°C, followed by 24 hours at 38°C	No warping, delamination or damage after testing	Passed test
UV Resistance	ASTM G155-13 cycle 1 for 300 hours of simulated daylight and humidity	Color fastness rating is 4 or above. Explanation Color Stain/Change: 5 - Negligible Or No Stain/Change 4 - Slightly Stain/Change 3 - Noticeably Stain/Change 2 - Considerably Stain/Change 1 - Much Stain/Change	Passed test: Class 4.5
Scratch Resistance	DIN EN 101 The scratch hardness on Mohs' scale is determined by drawing certain minerals of defined hardness by hand over the surface.	Measured Mohs Hardness - Data only	Mohs hardness is between 5 (Apatite) and 6 (Feldspar)
Backsplash			
UV Resistance	ASTM D45887-11 cycle 2, ASTM D2244-16 100h Duration	Does not change color easily under sunlight	Passed test: Delta E* = 0.51
LED Lights			
Electrical Certification	Meeting the criteria for Class 2 Power Unit per UL1310:2018 and CSA C22.2#223:2015	Pass testing criteria per UL and CSA standards	Passed test: cETLus certified

List of Chemicals Tested on 21in. Home Bar Series

Chemical Resistance Test Results for ANSI/KCMA A161.1 - Clause 9.4	
Test Materials	Duration
Vinegar (Meijer)	24 Hours
Lemon (Concord Foods)	24 Hours
Orange Juice (Minute Maid)	24 Hours
Grape Juice (Welch's)	24 Hours
Tomato Ketchup (Heinz)	24 Hours
Coffee at 46°C (Nescafe)	24 Hours
Olive Oil (Mazola)	24 Hours
100-Proof Alcohol (Everclear 100-Proof)	24 Hours
Detergent Solution (per Sec. 10.4)	24 Hours
Mustard (French's Classic Yellow)	1 Hour

Indoor Measurement Guide

Accurate measurements are essential to the success of your project. This guide will help ensure get the right information to make your reno a success.

Measuring for Accuracy

It is essential that you take your time when taking measurements. Any miscalculations can derail your project. Save yourself the frustration and time by double checking your measurements for accuracy:

1. Understand how to measure your space
2. Learn how to draw your Home Bar Plan
3. Create a sketch of your Planning Area

Layout and Design

Use a tape measure and a pencil to measure and identify the following:

1. Overall floor to ceiling height
2. Overall width of the room
3. Height from the floor to the bottom of the windows
4. Height from the ceiling to the top of the windows
5. Location of all electrical and plumbing
6. Any other permanent structures like pillars and/or bulk heads

Create a sketch of your Indoor space

Use a grid to start planning your space and draw our your floor plan.

Additional key measurements

Door Dimensions	Measuring the width and height of all doors in the room.
Window Dimensions	Measuring the width and height of all windows in the room - From floor to trim.
Room Dimensions	Measuring the main area (length & width), the ceiling (width & height), and the bulkhead (width & depth & height).
Note the Indoor Products being used	Provide the brand, model number, and dimensions (width & depth & height), for all products in the room. Such as a bar fridges, file cabinet, desk, refrigerator, tables, couches, dishwasher, etc.

Almost Done

Final details to confirm include:

- Budget?
- Do you need a financing program? (Affirm)
- Are you renovating from scratch?
- Which elements of the home do you plan on changing? (Cabinets, Flooring, Appliances, Lighting, Sink, Faucet)
- Timeline?

Take a picture or scan your drawn plan and additional information in the previous steps. Go ahead and upload your personal plan **to our Designers on our website.**

Our entire 21in. Home Bar product collection

Home Bar Cabinetry

SKU #	Product Description
61023	Home Bar Bottle Cabinet - 21" in White - with handles
61423	Home Bar Bottle Cabinet - 21" in Espresso - with handles
62008	Home Bar Bottle Cabinet - 21" in Natural Walnut - without handles
61438	Home Bar Bottle Cabinet - 21" in Dark Walnut - without handles
61238	Home Bar Bottle Cabinet - 21" in Graphite Grey - without handles
61038	Home Bar Bottle Cabinet - 21" in Balanced Beige - without handles
61005	Home Bar Display Cabinet - 21" in White - with handles
61405	Home Bar Display Cabinet - 21" in Espresso - with handles
62005	Home Bar Display Cabinet - 21" in Natural Walnut - without handles
61435	Home Bar Display Cabinet - 21" in Dark Walnut - without handles
61235	Home Bar Display Cabinet - 21" in Graphite Grey - without handles
61035	Home Bar Display Cabinet - 21" in Balanced Beige - without handles
61021	Home Bar Two Door Cabinet - 21" in White - with handles
61421	Home Bar Two Door Cabinet - 21" in Espresso - with handles
62006	Home Bar Two Door Cabinet - 21" in Natural Walnut - without handles
61436	Home Bar Two Door Cabinet - 21" in Dark Walnut - without handles
61236	Home Bar Two Door Cabinet - 21" in Graphite Grey - without handles
61036	Home Bar Two Door Cabinet - 21" in Balanced Beige - without handles
61003	Home Bar Three Drawer Cabinet - 21" in White - with handles
61403	Home Bar Three Drawer Cabinet - 21" in Espresso - with handles
62003	Home Bar Three Drawer Cabinet - 21" in Natural Walnut - without handles
61433	Home Bar Three Drawer Cabinet - 21" in Dark Walnut - without handles
61233	Home Bar Three Drawer Cabinet - 21" in Graphite Grey - without handles
61033	Home Bar Three Drawer Cabinet - 21" in Balanced Beige - without handles
61004	Home Bar Split Cabinet - 21" in White - with handles
61404	Home Bar Split Cabinet - 21" in Espresso - with handles
62004	Home Bar Split Cabinet - 21" in Natural Walnut - without handles
61434	Home Bar Split Cabinet - 21" in Dark Walnut - without handles
61234	Home Bar Split Cabinet - 21" in Graphite Grey - without handles
61034	Home Bar Split Cabinet - 21" in Balanced Beige - without handles
61022	Home Bar Double Wide Display Cabinet - 42" in White - with handles
61422	Home Bar Double Wide Display Cabinet - 42" in Espresso - with handles
62007	Home Bar Double Wide Display Cabinet - 42" in Natural Walnut - without handles
61437	Home Bar Double Wide Display Cabinet - 42" in Dark Walnut - without handles
61237	Home Bar Double Wide Display Cabinet - 42" in Graphite Grey - without handles
61037	Home Bar Double Wide Display Cabinet - 42" in Balanced Beige - without handles
61000	Home Bar Wall Rack Cabinet - 21" in White - with handles
61400	Home Bar Wall Rack Cabinet - 21" in Espresso - with handles
62000	Home Bar Wall Rack Cabinet - 21" in Natural Walnut - without handles
61430	Home Bar Wall Rack Cabinet - 21" in Dark Walnut - without handles
61230	Home Bar Wall Rack Cabinet - 21" in Graphite Grey - without handles
61030	Home Bar Wall Rack Cabinet - 21" in Balanced Beige - without handles
61001	Home Bar Short Wall Cabinet - 21" in White - with handles
61401	Home Bar Short Wall Cabinet - 21" in Espresso - with handles
62001	Home Bar Short Wall Cabinet - 21" in Natural Walnut - without handles
61431	Home Bar Short Wall Cabinet - 21" in Dark Walnut - without handles
61231	Home Bar Short Wall Cabinet - 21" in Graphite Grey - without handles
61031	Home Bar Short Wall Cabinet - 21" in Balanced Beige - without handles
61002	Home Bar Tall Wall Cabinet - 21" in White - with handles
61402	Home Bar Tall Wall Cabinet - 21" in Espresso - with handles
62002	Home Bar Tall Wall Cabinet - 21" in Natural Walnut - without handles
61432	Home Bar Tall Wall Cabinet - 21" in Dark Walnut - without handles
61232	Home Bar Tall Wall Cabinet - 21" in Graphite Grey - without handles
61032	Home Bar Tall Wall Cabinet - 21" in Balanced Beige - without handles
61025	21" Home Bar Sink Cabinet in White - with handles
61424	21" Home Bar Sink Cabinet in Espresso - with handles
62010	21" Home Bar Sink Cabinet in Natural Walnut - without handles
61440	21" Home Bar Sink Cabinet in Dark Walnut - without handles
61240	21" Home Bar Sink Cabinet in Graphite Grey - without handles
61040	21" Home Bar Sink Cabinet in Balanced Beige - without handles
61026	21" Home Bar 2 Door Sink Cabinet in White - with handles
61425	21" Home Bar 2 Door Sink Cabinet in Espresso - with handles
62009	21" Home Bar 2 Door Sink Cabinet in Natural Walnut - without handles
61439	21" Home Bar 2 Door Sink Cabinet in Dark Walnut - without handles
61239	21" Home Bar 2 Door Sink Cabinet in Graphite Grey - without handles

61419	Home Bar Series 63in Espresso Melamine Countertop
61020	Home Bar Series 84in White Melamine Countertop
61420	Home Bar Series 84in Espresso Melamine Countertop
62017	Home Bar Series 21in Natural Walnut Melamine Countertop
61447	Home Bar Series 21in Dark Walnut Melamine Countertop
61247	Home Bar Series 21in Graphite Grey Melamine Countertop
61047	Home Bar Series 21in Balanced Beige Melamine Countertop
62014	Home Bar Series 42in Natural Walnut melamine countertop
61444	Home Bar Series 42in Dark Walnut melamine countertop
61244	Home Bar Series 42in Graphite Grey melamine countertop
61044	Home Bar Series 42in Balanced Beige melamine countertop
62015	Home Bar Series 63in Natural Walnut melamine countertop
61445	Home Bar Series 63in Dark Walnut melamine countertop
61245	Home Bar Series 63in Graphite Grey melamine countertop
61045	Home Bar Series 63in Balanced Beige melamine countertop
62016	Home Bar Series 84in Natural Walnut melamine countertop
61446	Home Bar Series 84in Dark Walnut melamine countertop
61246	Home Bar Series 84in Graphite Grey melamine countertop
61046	Home Bar Series 84in Balanced Beige melamine countertop

Engineered Stone Countertops

SKU #	Product Description
87000	Engineered Stone Countertop - 21in Nano White
87030	Engineered Stone Countertop - 21in Nano Black
87001	Engineered Stone Countertop - 42in Nano White
87031	Engineered Stone Countertop - 42in Nano Black
87002	Engineered Stone Countertop - 63in Nano White
87032	Engineered Stone Countertop - 63in Nano Black
87003	Engineered Stone Countertop - 84in Nano White
87033	Engineered Stone Countertop - 84in Nano Black
87006	Engineered Stone Countertop with sink cutout - 42in Nano White
87004	Engineered Stone Countertop with sink cutout - 63in Nano White
87005	Engineered Stone Countertop with sink cutout - 84in Nano White
87036	Engineered Stone Countertop with sink cutout - 42in Nano Black
87034	Engineered Stone Countertop with sink cutout - 63in Nano Black
87035	Engineered Stone Countertop with sink cutout - 84in Nano Black

Granite Countertops

SKU #	Product Description
89129	Home Bar Black Galaxy Granite Countertop 21in
89125	Home Bar Black Galaxy Granite Countertop 42in
89126	Home Bar Black Galaxy Granite Countertop 63in
89127	Home Bar Black Galaxy Granite Countertop 84in

LED Lights

SKU #	Product Description
60836	LED Light 2700K with power adapter
60837	LED Light 2700K with connector cable

Shelving

SKU #	Product Description
61008	Home Bar Display Shelf - 42" in White
61408	Home Bar Display Shelf - 42" in Espresso
61009	Home Bar Hanging Stemware Shelf - 42" in White
61409	Home Bar Hanging Stemware Shelf - 42" in Espresso
61010	Home Bar Display Shelf - 63" in White
61410	Home Bar Display Shelf - 63" in Espresso
62011	Home Bar Display Shelf - 42" in Natural Walnut
61441	Home Bar Display Shelf - 42" in Dark Walnut
61241	Home Bar Display Shelf - 42" in Graphite Grey
61041	Home Bar Display Shelf - 42" in Balanced Beige
62012	Home Bar Hanging Stemware Shelf - 42" in Natural Walnut
61442	Home Bar Hanging Stemware Shelf - 42" in Dark Walnut
61242	Home Bar Hanging Stemware Shelf - 42" in Graphite Grey
61042	Home Bar Hanging Stemware Shelf - 42" in Balanced Beige
62013	Home Bar Display Shelf - 63" in Natural Walnut
61443	Home Bar Display Shelf - 63" in Dark Walnut
61243	Home Bar Display Shelf - 63" in Graphite Grey
61043	Home Bar Display Shelf - 63" in Balanced Beige

Sinks and Faucets

SKU #	Product Description
80502	21" Standard Sink
80512	19" Overmount Sink
80400	Brushed Nickel Classic Pull Down Faucet
80401	Chrome Classic Pull Down Faucet
80410	Brushed Nickel Flex Pull Down Faucet
80411	Chrome Flex Pull Down Faucet
80420	Brushed Nickel Coiled Pull Down Faucet
80421	Chrome Coiled Pull Down Faucet

Backsplash

SKU #	Product Description
80003	Glass Tile Backsplash Installation Kit (Spacers, 500-Pack)
80010	Super White Glass Subway Tile (11-Pack)
80011	Dark Grey Glass Subway Tile (11-Pack)
80020	Super White Glass Hexagon Tile (11-Pack)

Samples
