# The Garage You've Always Wanted

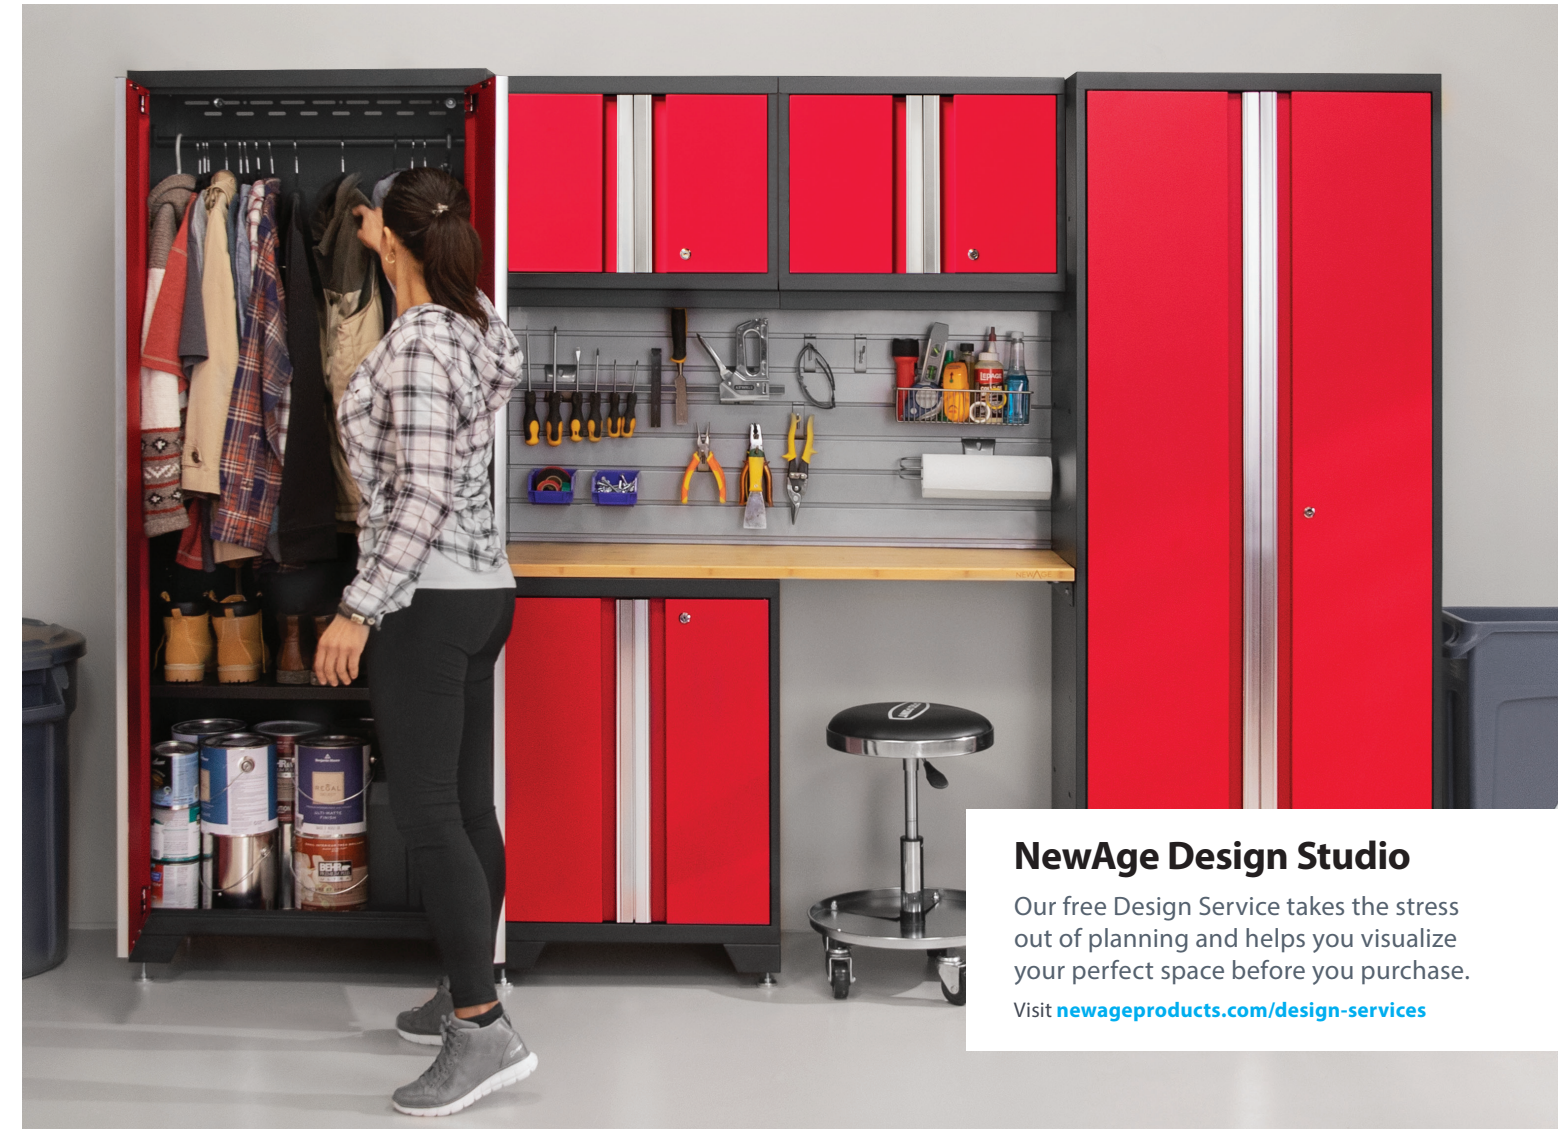

It's your workshop, your storage area, and your gardening centre.  
It's where the kids play, your vehicle lives, and home projects come to life.

Make the most of your garage space with steel cabinets, off-the-floor storage solutions, and precision-fit accessories that work seamlessly together to give you a showroom garage.

6,000+ ★★★★★  
Garage Product Reviews

“ I wanted cabinets that were not only high quality and functional, but looked good too...They are extremely nice and I love the double wall doors, soft close hinges, and overall look and feel. ”

## NewAge Design Studio

Our free Design Service takes the stress out of planning and helps you visualize your perfect space before you purchase.  
Visit [newageproducts.com/design-services](http://newageproducts.com/design-services)

-  Modular cabinets that fit your space requirements perfectly
-  Versatile off-the-floor products to optimize every inch of space
-  Custom-fit accessories that are well built and easy to install

## Organization taken to the next level

Steel shelving, slatwall, overhead racks and wall cabinets let you make the most of your wall and ceiling space.

NEWAGE OUTDOOR SOLUTIONS

# Outdoor Kitchens for your perfect backyard

Premium storage cabinets in unique styles, with integrated Grills and Cooking Appliances that let you create a more comfortable, luxurious outdoor space.

360+ ★★★★★  
Outdoor Kitchen Reviews

“ We searched long and hard for our outdoor kitchen...The stainless steel complements our patio perfectly and the cabinets are so well built we expect them to last forever! ”

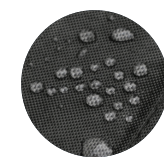

## Premium Cooking Appliances

High-performance Insert Grills and Dual Side Burners allow for seamless integration with our Outdoor Kitchen Series cabinets.

-  Premium cooking appliances to elevate your outdoor grilling
-  Storage cabinets to keep your day-to-day items organized
-  Bar and Sink cabinets for easy entertaining and clean-up

## All-Season Covers

Extra-tough, UV resistant polyester covers protect your cabinets from the elements.

# Relax and have a drink, with your own Home Bar

Inspired by the iconic Shaker style design, our Home Bar Series cabinets provide a modern way to store your wine and entertaining essentials.

## Shipping Made Easy

Getting your products delivered directly to your home has never been easier.

## The look of designer built-ins.

### A PERFECT FIT FOR ANY SPACE

A home bar that's both beautiful and modular, with display shelves, bottle cabinets and drawer storage that perfect the art of organization.

### HOSTING MADE EASY

Keep your supplies close at hand, and enjoy more time with your guests, with a well stocked bar that lets you socialize without the stress.

 Tempered glass display cabinets for housing glassware

 Showcase your vintage wines and hanging stemware

 Enclosed storage for cutlery, servingware and more

**390+** ★★★★★  
Home Bar Reviews

“ The finish is beautiful, they are well built, look great, and love the accessories. ”

# Creating the experience our customers deserve.

Remove the limitations that keep home owners from creating an organized space they love.

It's simple to say, and tough to do, but we've never backed down from hard work. If re-inventing the entire process from the ground up is what it takes to unlock the potential of your living space, then it's worth the challenge.

---

We give our products the same care and attention that you give your home.

---

That's how we're different. That's how we're better.

From design, to testing, to manufacturing and shipping, our team is accountable every step of the way, with the goal of creating a more streamlined and stress-free experience for our customers.

**The NewAge of home improvement is here.**

## **WE DESIGN**

Our team of expert designers will suggest the perfect product configuration for your needs, and provide a free 3D render and floor plan of your specific installation space.

## **WE SHIP**

Arranging for delivery of your purchase and tracking your shipment is easy with our online tools, or speak with our Customer Service team for personal assistance.

## **WE INSTALL**

We offer detailed step-by-step instructions for those who prefer a DIY installation experience, or a professional installation service completed by expert installers.\*

\*Subject to location availability.
